Listing Summary

Business Description: This company designs and installs partial or complete aircraft interiors using premium grade materials and the highest quality craftsmanship.

Customers select from the finest leathers, fabrics, carpets, and wood laminates.

Skilled craftsmen take leather, wool and carpeting and transform it into an aircraft interior masterpiece.

All interior components are repaired as needed or replaced and all moving parts are checked and lubricated before re-assembly.

The seating, side panels and interior components are re-upholstered according to each customer's specifications and choice of materials.

The location of this Company's headquarters, next to an airport, permits continuous interfacing with the customer throughout all phases of their projects.
