Business Highlights

For over 30 years, this well established Central Florida staple has offered meals of excellent quality to the local community.

Aside from pizza, the menu includes other Italian dishes, burgers, sandwiches, salads, garlic knots and Vegan items (*Vegan Pepperoni, Sausage, Steak and Vegan Chicken*).

Sales have increased year over year, with 2021 being a banner year, fueled by a combination of delivery, pick-up and to-go service. The restaurant also offers a strong online presence, including social media platforms such as Instagram, to help drive sales.
